Disclaimer

Disclaimer for links

At our website there are several links to other webpages, which do not fall under our responsibility and which contents we can not influence. We do not store any external information accessed via these links. At the time of linking, no content was found that violated applicable law. A continuous content review of any linked webpages is unreasonable without specific suspicion and cannot be repeated. However, as soon as we become aware of a legal violation, this will result in the immediate deletion of the respective link.

Disclaimer for content

The contents of this website are researched and processed with the utmost care. Nevertheless, mitoNET e.V. assumes no liability for the accuracy, completeness and timeliness of the information provided. According to § 7 Abs.1 TMG we are responsible for own information, which we hold ready for use, according to the general laws. As a service provider, however, we are not obliged under §§ 8 to 10 to monitor the transmitted or stored information or to investigate circumstances that indicate an illegal activity (§ 7 Abs. 2 TMG). Obligations to remove or block the use of information according to the general laws remain unaffected (§ 7 Abs. 3 TMG). As soon as we become aware of a legal violation, this will result in the deletion of the respective content. mitoNET e.V. does everything necessary to keep viruses out of the content of its own website, but we can not guarantee it is virus-free. Therefore, we kindly remind you to have installed up-to-date anti-virus software yourself.

Copyright

MITONET e.V. endeavors to comply with applicable copyrights in all contents (especially publications). Should there still be a copyright infringement, MITONET e.V. will remove the corresponding object after notification or mark it with the appropriate copyright. All brand names and trademarks mentioned on the website and, where applicable, protected by third parties are subject without restriction to the provisions of the applicable trademark law and the ownership rights of the respective registered owners. Just because of the mere mention is not to draw the conclusion that trademarks are not protected by rights of third parties.

Legal validity

This disclaimer is to be regarded as part of the internet offer from which this page was referenced. If sections or individual terms of this statement are not legal or correct, the content or validity of the other parts remain uninfluenced by this fact.

Funding

These pages were funded by a German Federal Ministry of Education and Research (BMBF, Bonn, Germany) grant to the German Network for Mitochondrial Disorders (mitoNET, 01GM1113A-E).
