## Biobanks

### Biobanken-Register

A summary of registered German biobanks

## Genetics

### The Genetics Society/UK

#### Genetic Professional Organization UK

The Genetics Society consists of most of the UK's active professional geneticists, including teachers, researchers and students. Industry and publishing are also well represented in our membership

## Genetics - Database

### GeneTests

#### Medical knowledge base for specific inherited disorders.

Relating genetic testing to diagnosis, management, and genetic counseling of individuals and families. Funded by the NIH, and developed at the University of Washington, Seattle.

### HUGO mutation database

#### Mutation database of the Human Genome Project

To facilitate communication between those interested in locus specific mutation databases and their integration into a system which allows access via computers to up-to-date lists of mutations in genes.

## Laboratory

### EDDNAL

European Directory of DNA Laboratories

### Friedrich-Baur-Institut

Friedrich-Baur-Institut München, Medizinische Fakultät der Ludwig-Maximilians-Universität München, in Assoziation mit der Neurologischen Klinik und Poliklinik

### LIFE & BRAIN, NeuroChemistry

Laboratory of Neuro-Chemistry, Clinic for Epileptology Bonn

### MGZ

MGZ - Medical Genetic Centre, München

### Mito-Labor

## **Mito-Labor, Pediatric Clinic, University Salzburg**

### **MITOLAB®**

Laboratory for Moleculare Diagnostics and Mitochondrial Genetics - MITOLAB®, Clinic of Ludwigshafen am Rhein

### **Muskellabor Uni Halle**

Muscle-Laboratory, Clinic for Neurology, University Halle/Saale

### **Neuropathology Uni Mainz**

Dep. for Neuropathology, University Mainz

## **Literature**

### **Deutsches Ärzteblatt**

Journal of the head organization of the German medical fraternity

### **dzbmed**

German Central Library for Medicine, Köln

### **Medline PubMed**

Literatursuchdienst des National Center for Biotechnology Information der USA

### **SpringerLink**

Medical Online-Journals of Springer, Berlin Heidelberg

## **Medicine**

### **BAEK**

Head organization of the German medical fraternity, consortium of the 17 German medical associations.

### **best-MED-Link**

Dictionary of medical links

### **DIMDI**

German Institute for Medical Documentation and Information

### **German Ministry of Health**

German Ministry of Health

### **ICD 10 Online**

Free Service of NAV-Virchowbund, German Resident Doctors' Association

### **Klinik- und Reha-Führer**

Internet-Service of the Association of Clinicc in Baden-Württemberg

### **Lifeline**

LIFELINE is a German Internet service for patients

## **MedicDAT-Projekt**

**Informations about Germanies first medical WAP (Wireless Application Protocoll)-Server**

## **Medizinindex**

**Continuously updated database of the medical servers located in Germany**

## **Nation. Library of Medicine**

**Central Homepage of the National Institutes of Health / Department of Health & Human Services der USA**

## **OMIM**

**Online Mendelian Inheritance in Man (OMIM), online database for inherited disorders**

## **Whole Brain Atlas**

**Atlas of normal and pathologic structure images, and multiplanar and vascular anatomy which integrates clinical information with MR, CT, and nuclear medicine images**

## **Medicine - Database**

### **mitoREGISTER**

**Web-based register for the recruitment and standardized phenotyping of patients with mitochondrial diseases**

### **ORPHANET**

**Database of rare diseases and orphan drugs.**

## **Medicine - Guidelines**

### **Mitochondrial disorders**

**Guidelines for diagnostics and therapy of mitochondrial disorders, published by DGN (Deutsche Gesellschaft für Neurologie)**

## **Meetings**

### **Keystone Symposia**

**Congress calendar of the Keystone Symposia**

Keystone Symposia will serve as a catalyst for the advancement of biomedical and life sciences by connecting scientists within and across disciplines at conferences and workshops held at venues that create an environment conducive to information exchange, generation of new ideas, and acceleration of applications that benefit society.

## **Mitochondria**

### **C/EMDN**

**Childrens Mitochondrial Disease Network (C/EMDN) UK**

Charity dedicated to providing information and support for all mitochondrial disorders, it is supported by voluntary donations and has no paid staff.

### **CIDEM**

**Center for Inherited Disorders of Energy Metabolism**

A group of inter-disciplinary, specialized laboratories at Case Western Reserve University (CWRU) School of Medicine, Cleveland, Ohio, which focus on disorders of mitochondrial function.

### **Genethon**

**A French non profit association mainly financed by the AFM (French Association against Myopathies)**

### **MMS**

**The Mitochondrial Medical Society (MMS)**

Non-profit professional educational organization, whose purpose is to promote the worldwide advancement and development of research in mitochondrial medicine, including biochemistry, genetics, disease diagnosis and treatment.

### **MRS**

**The Mitochondria Research Society (MRS) is a nonprofit international organization of scientists and physicians.**

### **NCMD**

**Nijmegen Center for Mitochondrial Disorders**

### **SSIEM**

**Society for the Study of Inborn Errors of Metabolism**

## **Mitochondria - Database**

### **MitBASE**

**A Comprehensive and Integrated Mitochondrial DNA Database.**

### **MITOMAP**

**Human mitochondrial genome database provided by The Center for Molecular Medicine, Emory University, Atlanta, Georgia, USA.**

### **MITOP**

**Mitochondria Project**

Database for mitochondria related genes, proteins and diseases; der Ludwigs-Maximilians-Universität München, Philipps-Universität Marburg und der GSF- Forschungszentrum für Umwelt und Gesundheit München.

## **Molecular Biology - Database**

### **AARS**

**Aminoacyl-tRNA Synthetases Database.**

### **GOBASE**

**Ribosomal Database Project.**

### **RDP**

**Ribosomal Database Project.**

## **Neurology**

## **AAN**

American Academy of Neurology (AAN), professional association

## **ANA**

American Neurological Association (ANA), professional association

## **DGN**

German Association for Neurology, professional association

## **DGNG**

German Association for Neurogenetics, professional association

## **NEUROLOGIE-NETZ**

Current topics in the field of neurology (German language)

## **NINDS**

National Institute of Neurological Disorders and Stroke

## **Neurology - Muscle disorders**

### **Muskelambulanz Uni Bonn**

Consultation hours for muscle disorders, Klinik und Poliklinik für Neurologie der Universitätsklinik Bonn

## **Patientgroups**

### **BAG Patienteninitiativen**

Cooperation of German information centres for patients

### **Deutsche Selbsthilfegruppen**

Internet service of associations for self-help of disabled

## **DGM**

German society for patients with muscle disorders

## **KINDERNETZWERK**

A network for diseased and handicapped children

### **mito-kinder**

Internet service of associations for self-help of disabled

### **Muskelkranke Oberösterreich**

Austrian society for patients with muscle disorders

### **Patientenuniversität**

This is a self-contained educational institution at the Medical Highschool Hannover.

## **UMDF**

The United Mitochondrial Disease Foundation (UMDF)

## **Pediatrics**

### **AAP**

**American Academy of Pediatrics (AAP), professional association**

### **DGKJ**

**German Pediatrics Association, professional association**

### **Kinderklinik Uni Heidelberg**

**Centre for Pediatrics, Clinic of University of Heidelberg**

### **Pediatric Clinic Schwabing**

**Pediatric Clinic of the Technical University Munich**

## **Science**

### **BayDat-Online**

**Internet platform for cooperation**

Initiated by the Bavarian Ministry of Science, Research and Art, as a joint venture with the transfere offices of the Bavarian Universities. Information: Frau Kulas Tel +49 89 2394-4463 oder E-Mail: fdb@lrz.uni-muenchen.de

### **Deutsch. Hochschulverband**

**Professional representation of German professors and assistant professors**

### **Europ. Science Foundation**

**The foundation acts as a catalyst for the development of science by bringing together leading scientists and research funding agencies to debate, plan and implement pan-European initiatives.**

### **Genome Resource Guides**

**NCBI Genome Resource Guides provide links, scoped searches, and alerts for a variety of genome-oriented data sources.**

### **genomics.energy**

**Gateway to the US Department of Energy's genomic websites**
