

# Coordinators

The coordinators are responsible for the efficient cooperation and communication within and beyond the consortium. The speaker is the head of them.

Their specific duties are

- Initialisation of the organisation structure,
- Convergence of the network activities,
- Calling up the meetings of the steering committee.

The organisation structure is located at the speakers institution.

The members are:

**Thomas Klopstock (Sprecher / speaker), Prof. Dr. med.**  
**University of Munich**

Department of Neurology, Friedrich-Baur-Institut  
Ziemssenstr. 1, 80336 München
